

Installations Engineer – Security systems / CCTV / Access Control

Location	London
Salary	£28000 - £36000 per annum
Duration	PERM
Start Date	ASAP

SecureWais are a specialist security company with more than twenty years' service offering bespoke Security solutions. We specialize in custom-built Integrated Security Systems including; - Entryphone, Closed Circuit Television, Intruder Alarms and Access Control.

We are currently seeking an Installations Engineer, who will be responsible for the installation and commissioning of a range of systems including IP CCTV, Access Control and Entry phone systems to sites in and around London City and the West End.

Duties & Responsibilities:

- Install and commission security systems
- Provide a reliable, courteous, efficient and effective service.
- Participating in the out of hours callout rota (approx. 5-6 times per year). Incentives apply.
 - Follow H&S legislation & guidance.
- Complete appropriate administration and maintain accurate records.
- Extra hours/over time may be available, if interested.
- Communicate effectively and provide an excellent customer service at all times
- There is a set probationary period (6 months).

Skills & Qualifications:

- Minimum 5 years' relevant experience in Security Systems Installations and Maintenance
- Integrated Access Control
- CCTV
- Entryphone
- Intruder Alarm Systems
- Hold either a CSCS or ECS card
- Security screening carried out for various sites, so a clean criminal record is a must.

Holiday and Benefits:

- Holiday leave entitlement will be 20 working days per year (excluding bank holidays)
- Monthly travel card expense is paid for.
- A mobile phone is supplied and paid for by the Company.
- Employee bonus scheme incentive exists for loyalty of service.
